

MKS Instruments Ranks #21 on the Fortune® 100 Fastest-Growing Companies List

September 19, 2019

Third year in a Row for MKS on this Prestigious List

ANDOVER, Mass., Sept. 19, 2019 (GLOBE NEWSWIRE) -- MKS Instruments, Inc. (NASDAQ:MKSI), a global provider of technologies that enable advanced processes and improve productivity, today announced that it has been selected to the *Fortune*® 100 Fastest-Growing Companies List for the third year in a row, ranking #21 on the list. *Fortune's* 2019 ranking of the world's top three-year performers in revenues, profits, and stock returns provides a snapshot of the trends driving the global economy, such as the continued ascendance of the technology sector.

"We are pleased to be recognized as one of *Fortune's* fastest growing companies for the third year in a row," said Jerry Colella, Chief Executive Officer of MKS Instruments. "Our focus over the last five years on sustainable and profitable growth has enabled us to deliver to our customers, shareholders, and employees. Our robust and disciplined MKS business process fuels both our organic growth and our ability to seamlessly integrate and increase the value of our strategic acquisitions."
